

Märvel - One Common Enemy

As recorded by Märvel. Tempo: 194 bpm

Intro Riff in E x 4

E Gxx G-C G-D x 2

Vers now brother get your shit together
you weren't meant to be shuffled around
that's right I'm here to ruffle your feathers
poke you right up out of your hole in the ground

Vers 2 you grew up taking all for granted
that's your idea of a paradise
now you're bitter and disenchanting
man... you sold yourself to an underprice

C D / E-D-a x 4 (pull off to open strings) Gxx / C D / E-D-a x 4 Gxx / C / B-G-D-D# E

Brg there's still a short time to fix this, we've done all the work
we weren't meant to be clerks, we're just ain't obscurities
let's go to war - against a common enemy!

Solo Riff x 2

Vers so brother get your shit together
I'm fucking tired of pulling your ass
It's a bit like squeezing blood from a stone yeah
just bring it to the table what you own yeah
just bring it what you owe yeah

build up: a-b d e

Brg let's go to war - against a common enemy!

C G D Em C G B7 x 2 + C G D Em + C B-G-D-D# E!

Stick Instrumental x 1

there are too many losers, there's too much nonsense
there are too many sticks in the mud
I know there ain't enough reasons, there's just one illusion
yeah one, one common enemy!

ExxD-E x 4 + Cxx + G-Dxx + fill

Break you need to unstick - here's a kick in your ass! x 3
you need to... *you don't know what I need!*

Chant I'm hell bent but still not broke
I've got, a dark cloud hanging over me
I'm all spent but still well spoken
we're up against an evil motherfucker
it's a war - against a common enemy

Outro Repeat intro
Riff + solo x 8
Finish with **B G D D# E**
